FOREWORD

FOREWORD BY TEH LIP KIM, MANAGING DIRECTOR

I am excited to announce that we will be launching our very first newsletter, SDB Circle to inform all of you on our happenings for the past six months. I would also like to thank you for your unwavering support throughout the years. I look forward to the coming year with much enthusiasm and excitement. Here's wishing you festive greetings, and a joyful celebration with your loved ones.

PROPERTY UPDATES

COMPLETION OF SqWhere @SUNGAI BULOH

Located in the quaint neighborhood of Sungai Buloh, SqWhere (pronounced "Square") is SDB's latest mixed development completed in July 2019.

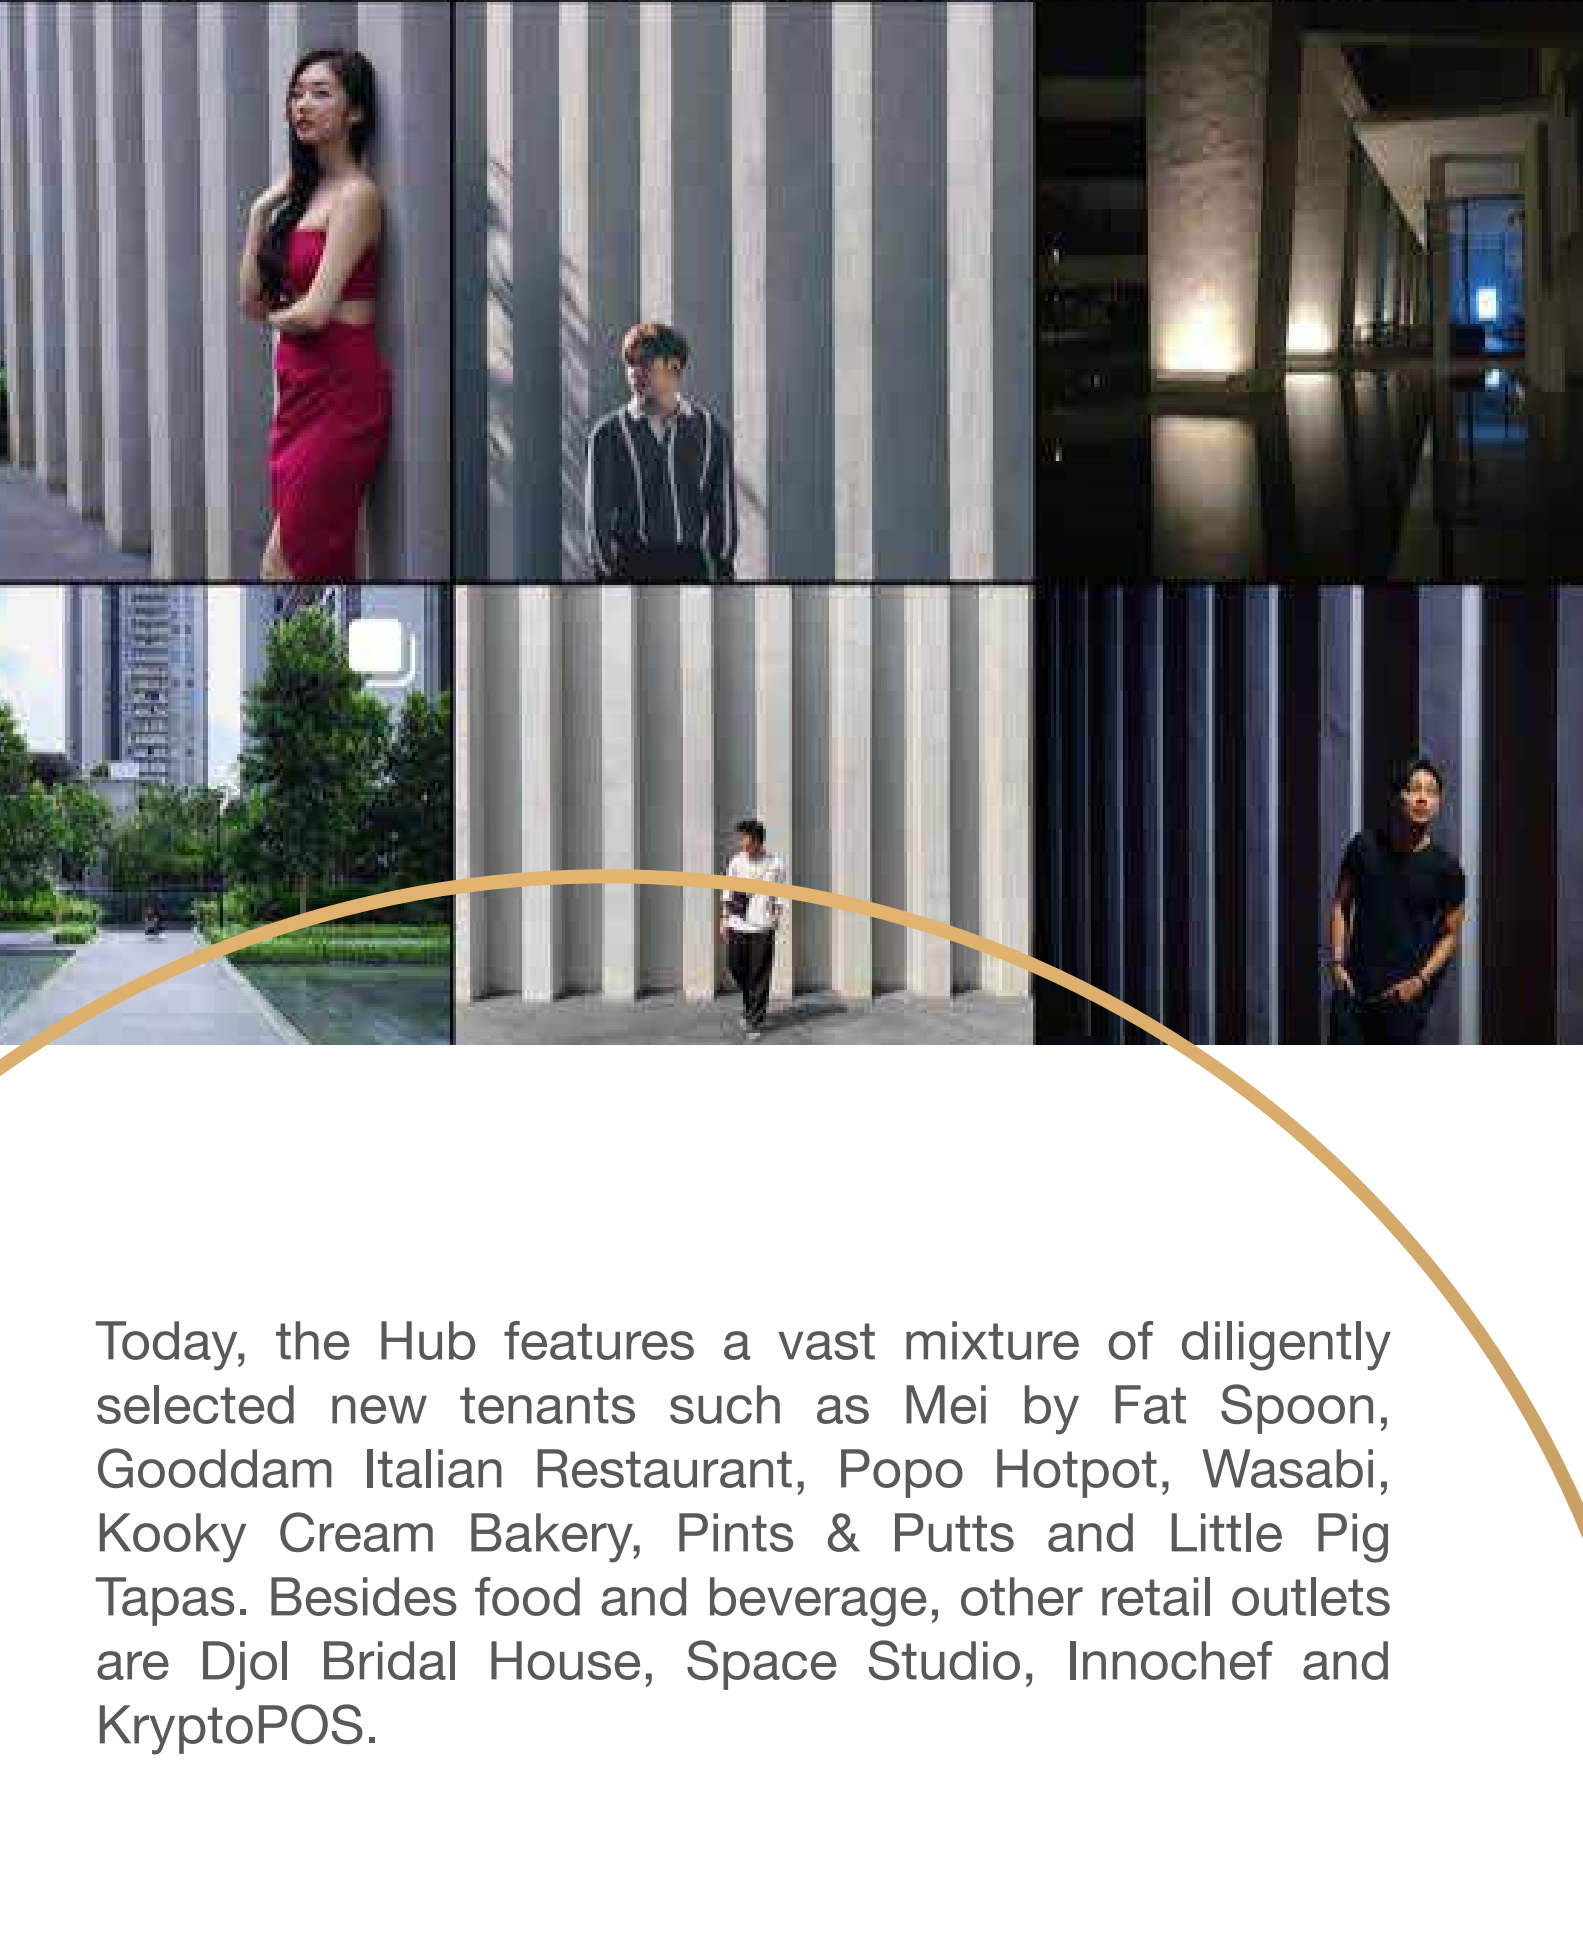

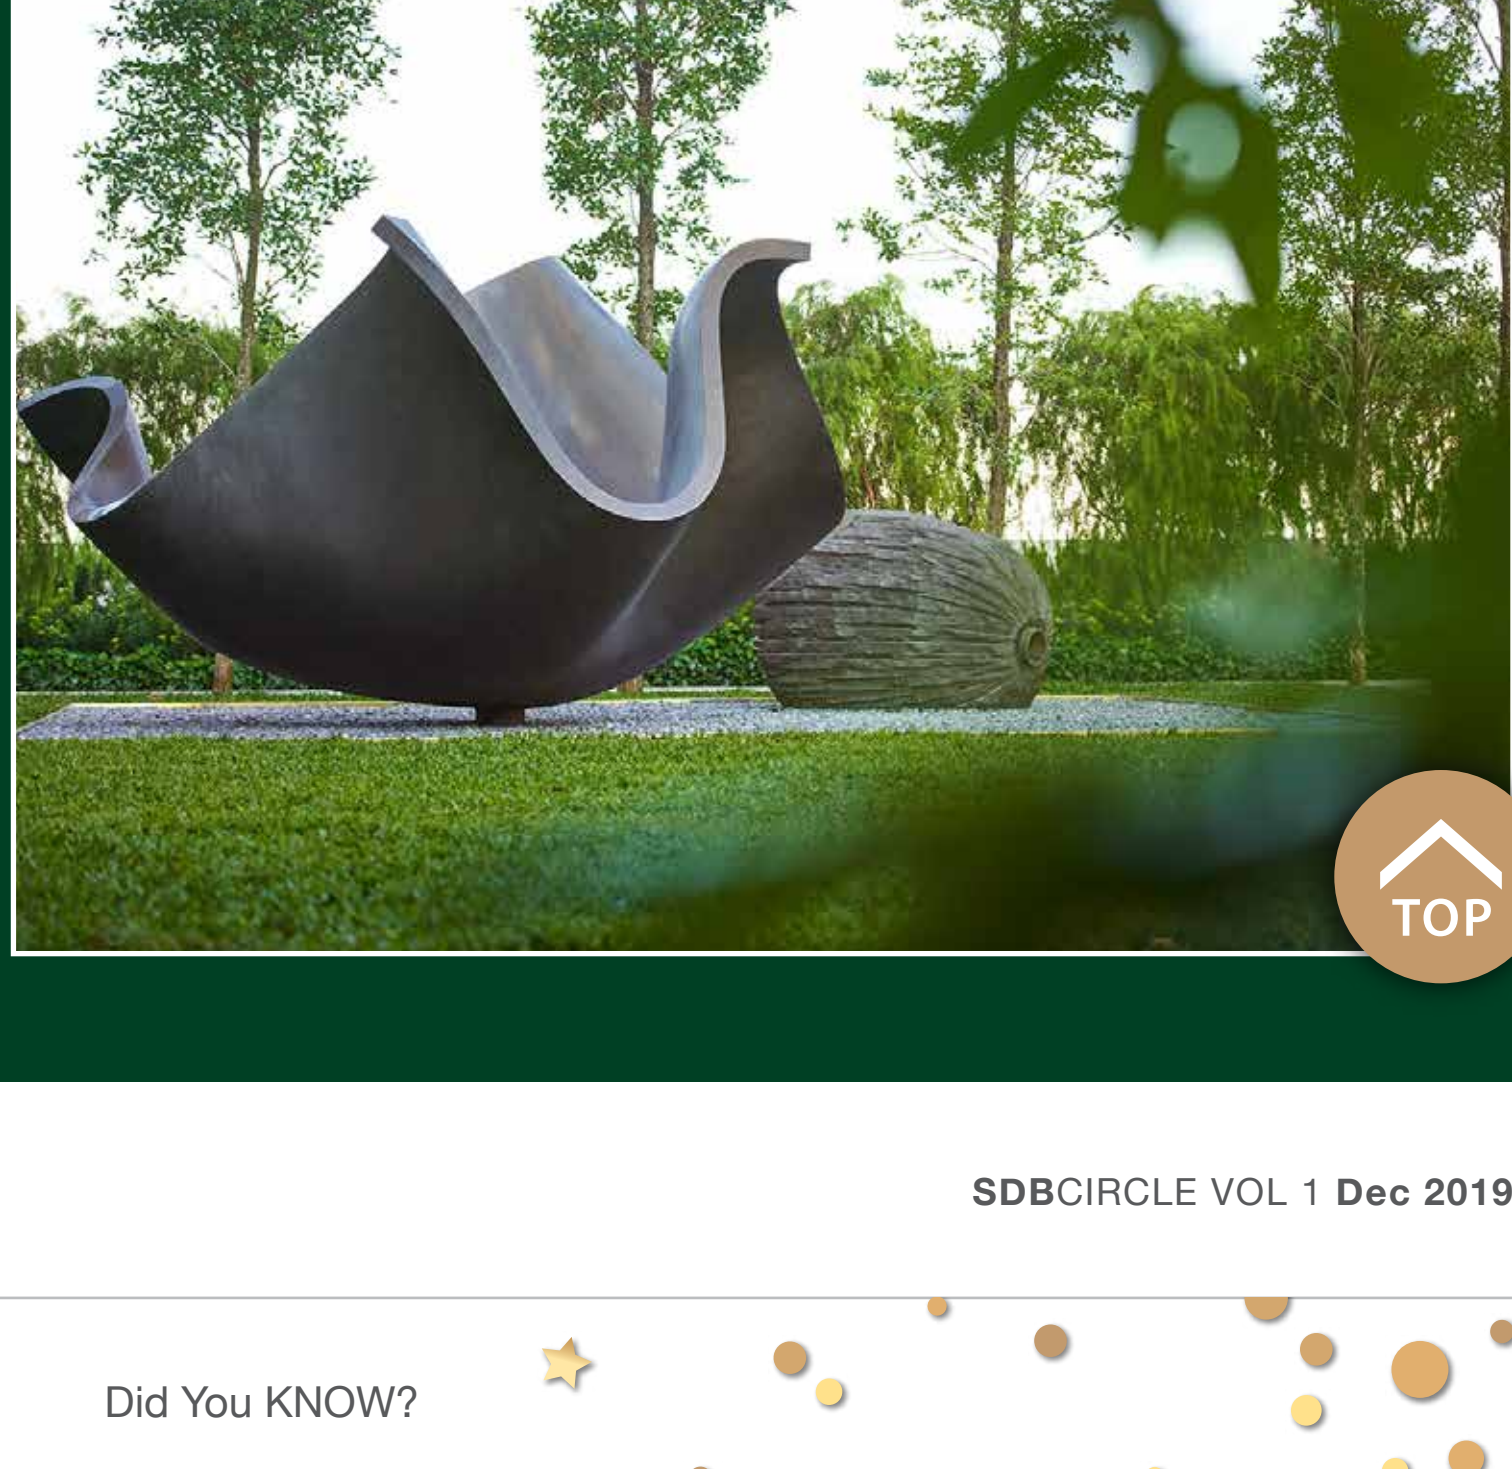

SqWhere also comes with co-working spaces such as the garden lounge and garden pavilions which allow for casual gatherings with family and friends, as well as work discussions and meetings.

ART @ SQWHERE BY COLIN OKASHIMO

As a sculptor, landscape architect and master planner Okashimo has worked his magic on many of SDB's developments namely Park Seven, Five Stones and most recently SqWhere. His signature trait includes listening to the quiet nuances of the site through the practice of meditation and focusing the spirit of the place into each of his curated environments.

Right: Designed for residents to sit or lie within them, these bronze and stainless-steel squares are dynamic as they flower and open within the landscape. The works are of different scales to provide larger spaces for families and friends to come together and smaller, more intimate spaces for a couple to share.

ONE-TWO-STAR TALENT SHOW

"Your voice is my favourite sound" - When SDB's Managing Director Teh Lip Kim first heard Myra singing, she was mesmerised. A gifted child, Myra finds joy in singing and her enchanting voice touched everyone's heart during the audition.

Inspired by Myra and all the gifted children, SDB decided to embark on a talent show to feature these gifted children and their extraordinary musical abilities. 14 children were handpicked ranging from 10 to 22 years old. The talent show was named One-Two-Star talent show and was in collaboration with Milestone Production, a production and event company.

After each performance, judges Sharizan Borhan and Lee Kok Leong gave their comments, similar to a talent show. The talent show was an effort to further build confidence levels of these children, while showcasing their unique musical abilities that the world at large rarely get to see.

ONE-TWO-STAR WORKSHOP

Before the Talent Show, a workshop was held for all participants. The coaches were Joshua Gui and Dominic Lau who gave encouragement and tips for a better stage performance. The participants went home happier and more confident with this added knowledge!

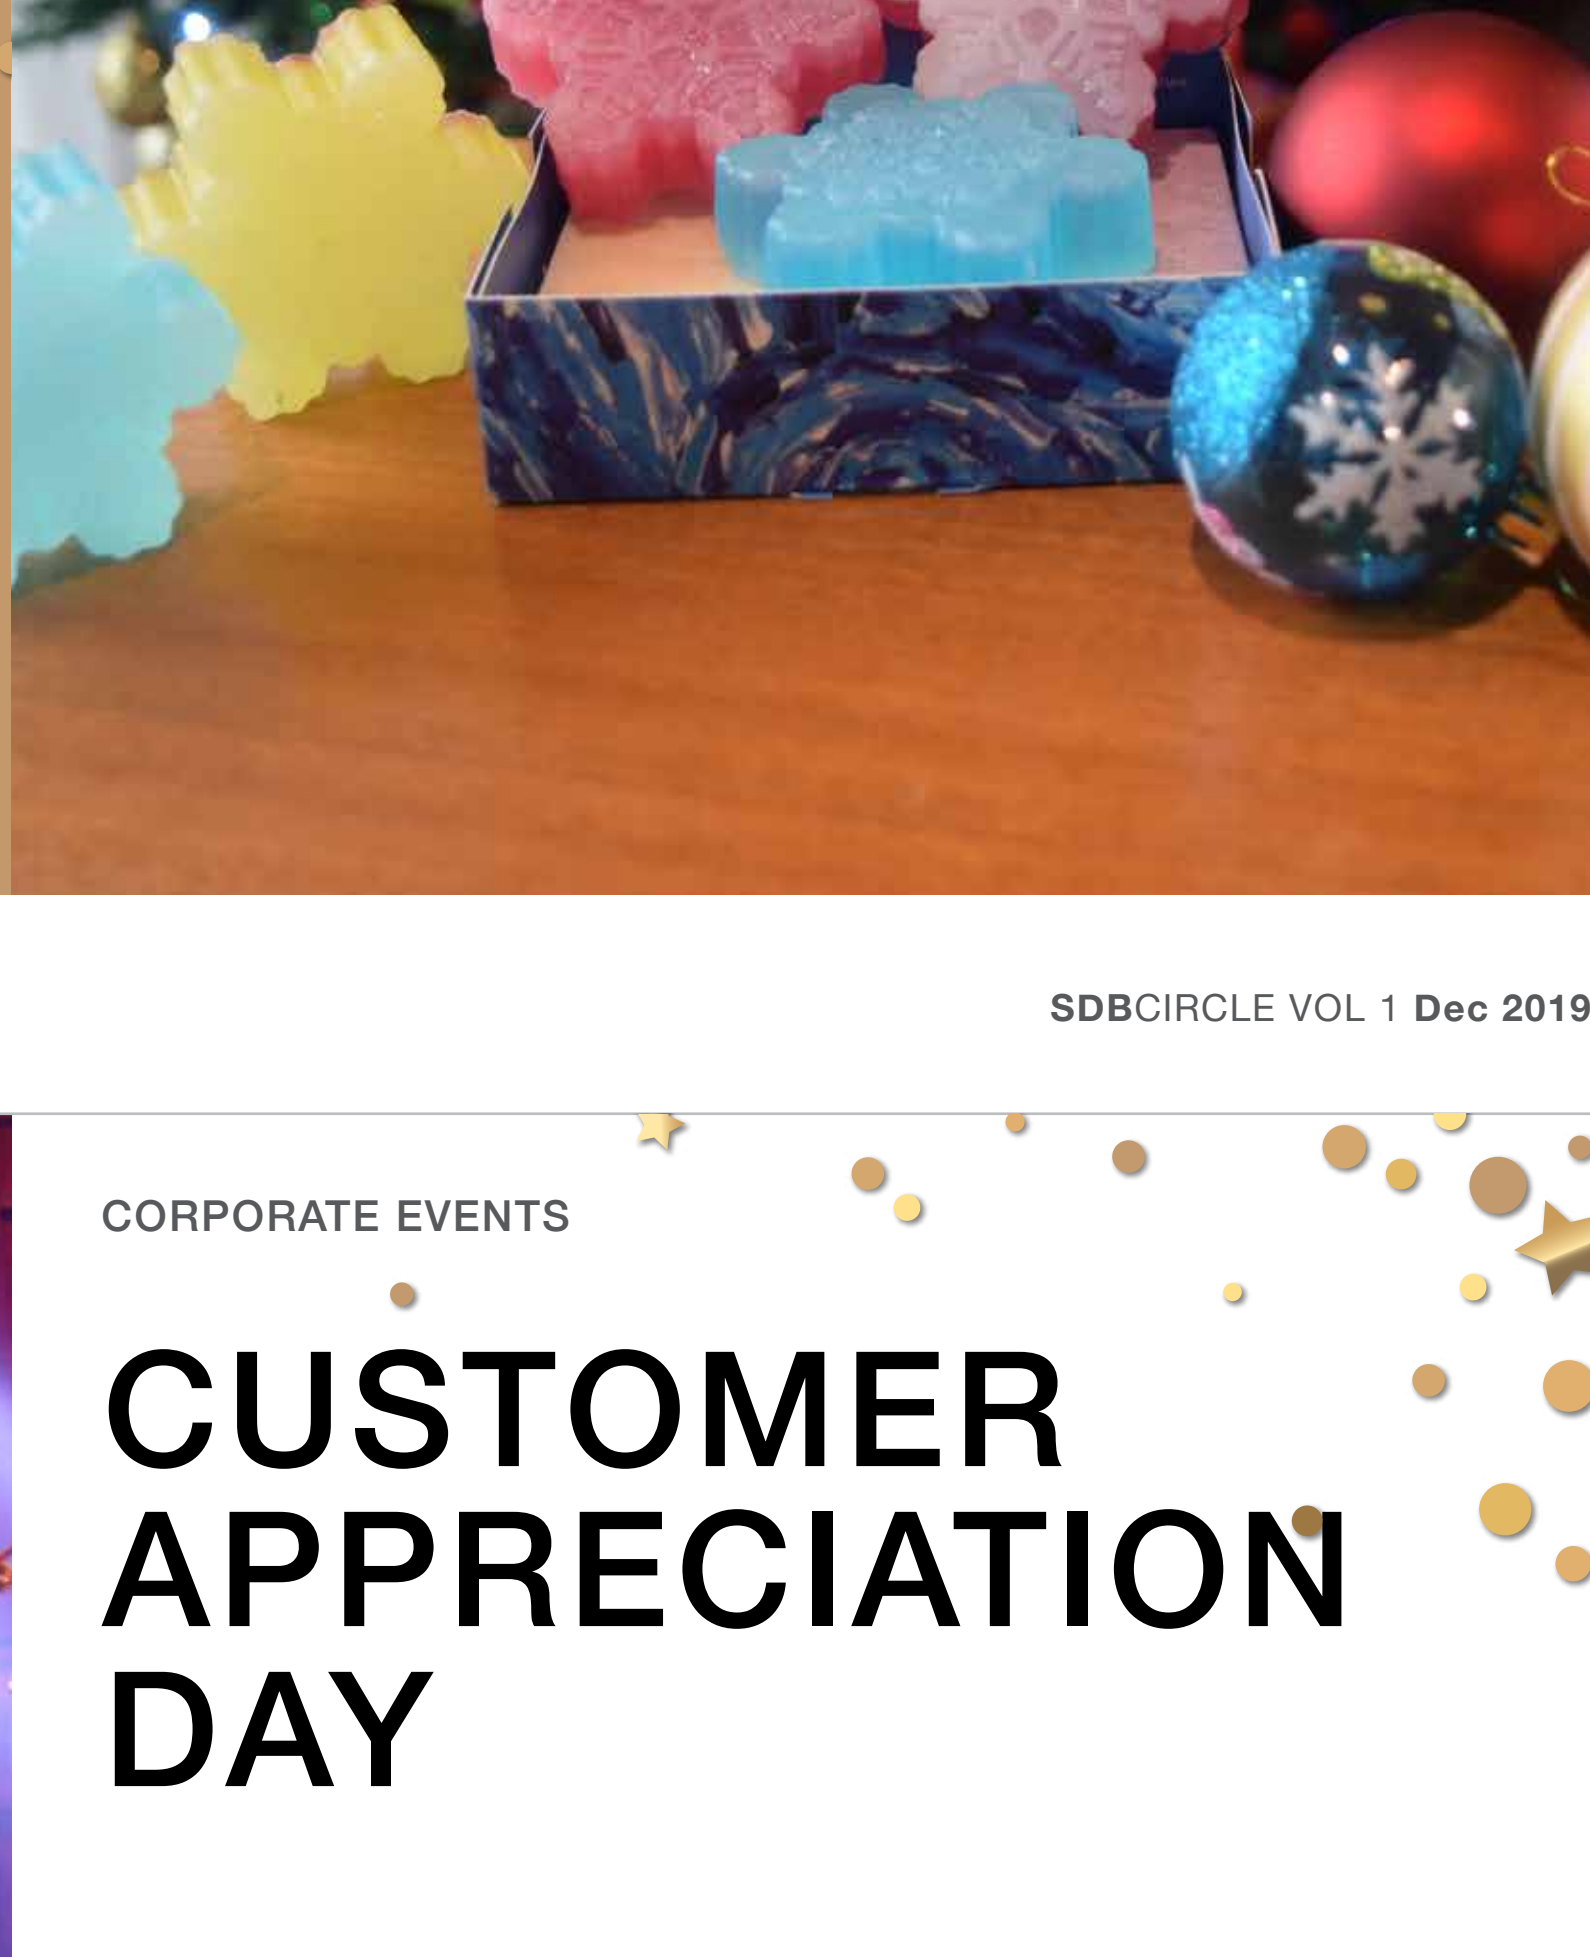

HANDMADE FESTIVE SOAPS

Handmade by youths with learning disabilities, these natural made soaps come in a snowflake shape with a lovely spearmint scent that reminds you of cotton candies and Christmas. They retail at RM10 per piece.

An extension of SDB's CSR initiative, One-Two-Star is a soap making initiative which makes handmade soaps as gifts for special occasion. Through this initiative, the youth learn new skills and become more independent.
